

It's Kindergarten Round-Up Time!

Calling all kindergarteners

Edith Teter Elementary is excited to welcome all incoming kindergarten parents/guardians!

Kindergarten Pre-Enrollment Instructions

Incoming kindergarten parents,

We want to welcome you to our Kindergarten Round-Up! This is not an official enrollment but an opportunity for us to prepare for the upcoming school year. If we have a good idea of kindergarten numbers, we can be sure we have adequate staffing prepared.

We are asking that you complete our Kindergarten Pre Enrollment form and upload your child's birth certificate and immunization records if you are able. Please follow the link below to our new Student Information System, Alma, to complete the forms.

[Parkcountyre2.almastart.com](https://parkcountyre2.almastart.com)

You will be asked to create an account. You will need to provide your name, email address, and set up a password. After that, you will receive an email with another link to complete your account.

This is where you will add your child as a student. After that, click on the plus sign in the upper right side of the page to get started. Select "Edith Teter Elementary" as the school, select the "2020-2021" school year, and then "kindergarten" for the grade. Select "Kindergarten Pre Enrollment" to get to the forms. The first form is the Student Information and that form is required. The other forms are where you can upload the birth certificate and then the immunization record. Those are optional but if you have those records, it will save time later if you can upload them now.
