ADMINISTRATION OFFICE (719) 836-3114
FAX (719) 836-2275

March 12, 2020

Park County RE2 families,

I trust everyone is keeping up with information regarding COVID-19 and the impact it is having on our community. I receive updates daily from the state, and the district is following all guidance we receive. I do need to make you aware of some recent guidelines that will affect our families.

Cleaning: The district will adhere to all recommendations for cleaning and disinfecting the facilities. That includes our busses as well.

Closures: Should we become aware of any student or staff member that tests positive for the virus, we will close school for a minimum of 72 hours for a thorough disinfecting. If we have more than one positive test result, we will close for 14 days.

Illnesses: If your child is ill, please do not send them to school. If anyone in your family exhibits symptoms of the virus, contact your healthcare provider to inquire about being tested. Should anyone in your family test positive or if you have been in contact with someone testing positive, contact the school immediately so we can take appropriate action. As always, that information will be kept confidential.

Following is a link for local information or call the COHELP line at 877-462-2911.
