Subject: Communication to ETE Families

Starting with the 2019 school year, ETE will push out communication to families from outside organizations via email. If you have a flier with information you wish families to have, you may email the flier to the elementary office at, [ete@parkcountyre2.org](mailto:ete@parkcountyre2.org), or drop it by personally. We will send out our school wide communication on Thursdays so please have your information to us by the end of the day on Monday. If we have your information, we will include it in the email. We will not make copies to pass out to students nor will we pass out papers that are already copied. We are happy to support our community organizations and utilize our communication system to assist in passing information along to families. We ask that you adhere to our new guidelines so that our time and resources are respected, and so we can keep you connected to families.
