

School Based Health Center patients may be seen at the main Summit Community Care Clinic (your SBHC sponsor) in Frisco for medical, behavioral health and dental services. **Telehealth/virtual appointments are available** in addition to in person visits.

In an effort to keep your student up to date with their dental care, SCCC will honor your student's SBHC enrollment and pricing at our main clinic in Frisco through August 31, 2020. Preventive appointments will include x- rays if needed, an exam with a Dentist and a non-aerosol producing dental cleaning. As always, SCCC will bill your insurance. *Uninsured students* may receive these services for \$20.00. For SBHC dental questions or appointments, please call 970-668-4055.

SCCC will honor your student's SBHC enrollment and pricing for medical and behavioral health appointments at our main clinic as well. For SBHC medical or behavioral health questions or appointments, please call 970-668-4040.
